REJOINDER: MINERALS INCOME INVESTMENT FUND CLARIFIES POSITION ON UNAUTHORIZED MEDIA REPORTS ON THE 2024 FINANCIAL RESULTS

Accra, Ghana – July 12, 2025 - The Minerals Income Investment Fund (MIIF) wishes to address recent media reports circulating on various online platforms regarding the Fund's 2024 financial results.

The Fund categorically states that it has not authorized, sanctioned, or approved any publication of its 2024 results in any form or through any media outlet.

In accordance with our statutory obligations, MIIF has fulfilled all legal and regulatory requirements, including the submission of comprehensive performance reports for the period under review to the appropriate state institutions.

The Fund emphasizes that no portion of these reports have been published or authorized for public release. Therefore, MIIF categorically distances itself from any media reports purporting to present the Fund's 2024 financial performance and clarify that such reports did not originate from or receive approval from the board or management of the Fund.

The public is advised to disregard any unauthorized reports claiming to represent MIIF's 2024 results, as these do not reflect official communications from the Fund.

MIIF remains committed to transparency and will communicate official information through appropriate channels in due course.
